Transformation Through Presence-Based Leadership

If anyone is thirsty...

Living Waters

Spiritual Renewal Encounter

For Ministry Leaders

April 15-17, 2010 • Knoxville, Tennessee • Crowne Plaza Hotel

Let him come to Me and drink whoever believes in Me, as the scripture has said, streams of living water will flow from within him. ~ John 7:37- 38

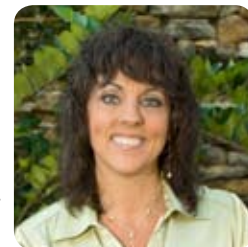

In 2000, LifeSteward Ministries held our first prayer summit for ministry leaders to seek the Lord's presence in an uninterrupted time away from their ministries. It was offered to leaders who were committed to their calling to lead seriously, yet they found themselves in need of rest, in need of a place to renew, to "BE" and not "DO." That prayer summit grew into an annual renewal encounter, now in its 10th year, *Living Waters*.

Living Waters is an incredible adventure, a unique spiritual renewal encounter to experience God's presence that is truly life changing! The purpose of this encounter is simply to "come away" from a daily routine and encounter a loving God who promises that when we seek Him we will find Him.

At *Living Waters*, a team of ministry leaders wait upon the Lord, facilitating a time where He will meet us both individually and corporately. As you come into His presence, you will experience a model caught, not taught, enabling you to embrace a paradigm of leading from His presence. In His presence, we are filled with all we need for the journey.

As we meet Him together, we learn to lead effortlessly through Presence-Based Leadership from the "spirit man". *Living Waters* embraces the freedom of leaving behind, doing business and asking God to bless it!

Come, taste, and see... Restore, Renew, Refresh...We are thirsty with you!

Vicky L. Botsford, President

what's being said...

"By the time I received your invitation to Living Waters I was discouraged and had the feeling that I was abandoned by God. Living Waters was like God inviting every one of us to drink from His cup the water that brings you back to life. I know for sure that God will never forget me or the ministry of Clinica Pro-Vita. My physical time with you ended but my spiritual time did not, because the Living Water is still running in me today!"

Dr. David Ille • Executive Director • Clinica Pro-Vita • Cluj, Romania

"As a recipient of Living Waters and prayer ministry at conferences... I am forever changed! God put it in the heart of a sister director to cover my expenses and her generosity was a divine appointment for me! I received so much more than what I expected! I feasted at His table and felt as if I was His only child. I praise the Lord for this sister director, for LifeSteward Ministries, and for the Spirit-led ministry team who poured out so much LIFE... right into me. I am a forever changed and transformed leader!"

Martha Avila • Executive Director • Heartbeat of Miami • Miami, FL

"I came to this weekend completely depleted; physically, emotionally and spiritually. I knew that unless the Lord did a healing in my life, I would have nothing to give out to anyone. So I came expecting... hope for restoration. He answered above and beyond all I could imagine. The 'community' and unity I experienced was a first ever and it was a blessing I cannot describe. Thank you for your labor of love and prayer so I could enjoy freedom today!"

Carol Knight • Client Services Director • Cranston, RI
